On our Hollywood Behind-the-Scenes Tour you will see many of Hollywood's most famous landmarks including Grauman's Chinese Theatre, the Walk of Fame and the Hollywood Sign. You will also see many great but lesser known landmarks such as the El Capitan Theatre (Disney's premiere theatre), Grauman's Egyptian Theatre (where the movie premiere was born), the Blossom Room in the Roosevelt Hotel (site of the first Academy Awards ceremony) and the only fully intact "speakeasy" in Los Angeles.

Looking for a new perspective on Hollywood? Our walking tours go beyond the surface. One great aspect of all our tours is that **we actually take you inside** many of the landmarks - something you just can't do on a bus. Red Line Tours has obtained special permission from the owners of local landmarks to go inside.
